Memo

Date August 19, 2019
To AMHS-KFLA Partners
From Karen Berti, Supervisor
Subject Transformation Update #8

In follow-up to the previous partner memo, transformation efforts over the past month have focused on staff recruitment and engagement on our future state design and preparing for the opening of our 35 Lyons Street building.

In support of establishing the form that will best serve the function of the Agency now and into the future, changes to the corporate structure have been made to incorporate three Associate Director (AD) roles. We have successfully hired into these positions and I am pleased to share that the Agency welcomed Alison Young, Josh Goodbaum and Michael Whiteman to our Leadership Team earlier this month.

I look forward to seeing partners on August 28th at the Ribbon Cutting Event for 35 Lyons St. as we recognize the contributions of many in this achievement. This celebration will begin at 1:00 p.m. with speeches, followed by a formal ribbon cutting and viewing of key features of the building.

If you are planning to join us, please R.S.V.P. through this [link](#) (or the image below) by August 23rd. A formal agenda will be sent to confirmed attendees with more details.
